

FORMULARY

DEO SPRAY NO GAS

A touch of freshness

A light and fresh formula that provides an effective and safe deodorant action.

It prevents the odours formation leaving a pleasant fragrance all day long.

Extremely delicate, suitable also for sensitive skin.

STAR INGREDIENTS

VEROCHIC® A new natural cosmetic ingredient obtained from *Illicium verum* (Star anise) with deodorant and antimicrobial activities.

It helps reduce or eliminate human odours.

NATISOL® Lipoaminoacid particularly suitable to solubilize essential oils and fragrances in toiletries and perfumes.

It completely substitutes ethoxylated products, normally used in cosmetic products.

An innovative formulation

- No antiperspirant
- No PEG derivate
- Very gentle for the skin
